

REMARKS

Favorable consideration of this application, as presently amended, is respectfully requested.

By the present Preliminary Amendment the specification is amended to reflect priority information. A new Abstract believed to be in more proper format under United States practice is also submitted.

Claims 1-23 are canceled without prejudice and new claims 24-46 are presented for examination. New claims 24-46 are deemed to be self-evident from the original disclosure, including the original claims, and thus are not deemed to raise any issues of new matter. Further, new claims 24-46 are not believed to be more narrow in scope in any aspect in comparison with canceled claims 1-23.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
